

VSP Primary EyeCare PlanSM

Give your members complete eye health coverage with the VSP Primary EyeCare Plan. This important plan goes beyond routine eyecare and provides additional coverage for medical and urgent eyecare services. Plus, members will have the reassurance and convenience of visiting the same eyecare provider who knows their eyes best.

Benefits through a VSP Network Provider

Specialty Eyecare Services

- The VSP Primary EyeCare Plan provides supplemental coverage for non-surgical medical eye conditions including:
 - diagnosis and tests for vision loss
 - treatment for conditions such as pink eye
 - management of glaucoma and diabetic eye disease
 - retinal screening for eligible members with diabetes

The VSP Primary EyeCare Plan pays secondary to other medical eye insurance coverage. The Plan also provides a standardized set of services that can be performed by optometrists in most states. Contact your VSP representative for more information regarding specific coverage.

- Members can self-refer, visit their VSP provider as often as needed, and pay only a copay for services.

Some health plans may require a referral by a primary care physician.

- VSP providers may use ocular photography to identify abrasions, growths, or other eye abnormalities.
- VSP providers also provide follow-up medical eyecare, including any necessary referrals and consultations with the patient's primary care physician.

VSP Providers

- VSP providers are in retail, neighborhood, and professional settings, with 88% offering extended hours.
- Our providers average 21 years in practice, with 99% network retention, so our members benefit from long-term, consistent care.
- 100% of our providers are credentialed to NCQA standards.
